WEEKLY SUMMARY

Remyairtel dated 6/18/62.

CG 6502-C* advised that ALEX was in conversation with his [redacted] on 6/15/62 and 6/18/62, but nothing of pertinence was discussed.

On 6/19/62, informant advised that [redacted] had received a letter from [redacted], and was reading this letter to ALEX. [redacted] mentioned that her mother wrote that she was glad that [redacted] and ALEX were enjoying their weekends in the country. It is to be noted that ALEX has made reference to the country on numerous occasions in the past, and it is believed that this reference is to his brother's farm at Cassapolis, Michigan. His brother, SAM ALEX, resides there.

b6
b7C

Informant further advised on 6/19/62 that [redacted] had mentioned to ALEX that the day off from work she had on 6/18/62 did her a world of good. She told ALEX, "I won't ever get fired for not working, but if they start talking to Cookie Boy, well, that's different. I may be". It is to be noted that [redacted] works at [redacted] and she is undoubtedly referring to her recent interview with SA [redacted] of this office.

Informant advised on 6/20/62 that ALEX was in conversation with his chauffeur, NATHAN "BUTCH" LADON and also his [redacted]. ALEX told LADON that he and LADON would probably go on a trip next week and when LADON asked him when, ALEX stated that they would probably leave on Tuesday, 6/26/62. ALEX told LADON that they would probably return to Chicago the following Friday, 6/29/62.

Regarding the above contemplated trip, ALEX may possibly be referring to a trip to Bermuda, as he had mentioned about 2 weeks ago that he would like to go to Bermuda for a couple days. At that time, he was undecided on who was going to accompany him, but mentioned that it was only 1½ hours flight from New York to Bermuda. It is possible that ALEX may now be going to Bermuda, but it is unknown at this time whether this will be his destination regarding his contemplated trip.

Informant also advised on 6/20/62 that ALEX was showing some pictures which he had evidently recently taken and mentioned that one of the pictures was of a person by the name of [redacted] is unknown by this office at this time.

The informant further advised on 6/20/62 that ALEX told LADON to contact VOGEL at Postl's Health Club and ask him to meet him for dinner at Fish's Restaurant. Informant said that LADON telephonically contacted VOGEL at Postl's Health Club on 6/20/62, and referred to him on the phone as EDDIE BROWN. It is to be noted that this is the same that VOGEL uses at Postl's Health Club.

Informant further advised that on 6/20/62, [redacted] mentioned to ALEX she was sending some baby clothes to her [redacted] ALEX told [redacted] he would have LADON send the package for her the next day.

Informant advised on 6/21/62 that ALEX and [redacted] were in conversation at ALEX's apartment, but nothing of pertinence was discussed.

SUBJECT: GUS ALEX, aka
AR "JUNE"

WEEKLY SUMMARY

Re my airtel, 6/25/62.

CG 6502-C* advised that ALEX and his [redacted] were in conversation at ALEX' apartment on 6/22/62. [redacted] inquired of ALEX when ALEX desired to leave for the week end because she wanted to make her beauty appointment accordingly. She mentioned to ALEX that she was to have the following Friday off from work. ALEX told [redacted] to make her appointment to suit herself and that they could either leave Thursday night or Friday morning for the country. It is to be noted that ALEX' reference to the country is believed to be his brother's farm at Cassapolis, Michigan. The Detroit Office is presently in the process of ascertaining if ALEX and [redacted] have been observed on recent week ends at SAM ALEX' farm at Cassapolis, Michigan.

b6
b7C

Later on during the morning of 6/22/62, informant advised that NATHAN "BUTCH" LADON appeared at ALEX' apartment and they left together shortly after his arrival. LADON is chauffeur for GUS ALEX.

Informant advised on 6/25/62 that ALEX and [redacted] entered into a discussion at ALEX' apartment on that date but nothing pertinent was obtained by informant.

Informant advised on 6/26/62 that [redacted] mentioned to ALEX that she had heard on the radio that BOBBY KENNEDY was in Chicago and they were to discuss the income tax trial of TONY ACCARDO. ALEX asked [redacted] if that was the reason KENNEDY was in Chicago and [redacted] replied that and other things. [redacted] told ALEX that he had some investigations here that they will go over with the United States Attorney's Office and would probably check into cases involving union matters. ALEX asked [redacted] if KENNEDY said they were going through with the trial on ACCARDO and [redacted] replied that she heard KENNEDY say that they were. ALEX said that before he arrived in Chicago they didn't know if they were going through with the trial or not.

b6
b7C

Informant further advised on 6/26/62 that ALEX mentioned to [redacted] that he would like to sue those reporters who write all that stuff about him. [redacted] replied "What good would it do ya? Then all the other guys would jump on ya and you don't want any publicity." ALEX replied "Yeah, they lie about me, those black stinking lies they write about me and they paint you black. I care about that." [redacted] replied "Sure you care, if you didn't you wouldn't be human." ALEX replied "Yeah, and there is nothing I can do about it. Who am I and all the little people, I can't fight them." [redacted] replied "Just ignore them and don't worry about 'em. You have to keep ignoring them because if you upset yourself emotionally that's just what they want. They want you to fight them and come out in the open and make a fuss about it."

It is to be noted that Attorney General ROBERT F. KENNEDY was in Chicago on 6/25 and 26/62, during which time he was in conference with the United States Attorney, Chicago. The above comments made by ALEX and [redacted] are undoubtedly in reference to this visit by KENNEDY to Chicago.

In regard to ALEX being upset over articles which newspaper reporters have been printing about him in Chicago papers, ALEX is undoubtedly referring to an article which appeared in the "Chicago Tribune" on 6/26/62 which listed ALEX in addition to MURRAY HUMPHREYS, SAM GIANCANA, and TONY ACCARDO as being on the "hit board" in letting contracts for killings of persons who are in disfavor with the members of the Chicago underworld.

Informant further advised on 6/26/62 that [redacted] was in ALEX' apartment on the afternoon of 6/26/62. ALEX was showing [redacted] his apartment and how it was furnished and mentioned to [redacted] that MAE TAYLOR, his sister-in-law, arranged for the furnishing of the apartment for him. ALEX also mentioned that he had Mr. and Mrs. PAT MANNING up to his apartment recently and they were impressed on how the apartment was furnished and decorated.

[redacted], mentioned above, is the [redacted] This [redacted] was a known hangout for ALEX and other Chicago hoodlums. [redacted] is now helping [redacted]

b6
b7C

PAT MANNING, also known as Pat Manno, was formerly in the policy racket during the late 1940's on the South Side of Chicago. He was later prosecuted successfully by the Internal Revenue Service for failure to report income from the above-described policy operations. He served a prison term and was released in about 1957 and is presently employed as a sales manager for a local tailor shop.

Informant advised on 6/27/62 that [redacted] and ALEX were in discussion on that date and ALEX mentioned that he had recently talked to an individual from out of town who brought into Chicago a new device called "background music." ALEX mentioned that this device was in direct competition to our machines. ALEX said that he borrowed one from this individual and would take it out to his office the following day and let them look at it. ALEX said that if they approved it he would like to get one of them for his apartment.

ALEX is undoubtedly referring to EDWARD VOGEL's companies which handle juke boxes when he made reference to the background music device which was in direct competition to their machines. His reference to the office is probably to the location of the Apex Amusement Company at 4246 North Lincoln Avenue for whom ALEX is allegedly employed.

CG 6502-C* further advised on 6/28/62 that ALEX and [redacted] were in conversation on that date but nothing of pertinence could be obtained by the informant. The

informant noted, however, that ALEX still uses his code before answering any phone calls to his apartment. The caller allows the phone to ring once, then hangs up and repeats this three times before ALEX answers the phone the third time.

Federal Agents Probe 3 Officers' Income Returns

Attempt to Trace Alleged Payoff by Syndicate

BY SANDY SMITH
[Chicago Tribune Press Service]

Springfield, Ill., July 5—Federal agents are investigating the income tax returns and finances of two high ranking officers and one former commander in the four Chicago area state police districts now involved in a bribery scandal.

Vogel

Agents of the internal revenue service have questioned the three state policemen several times, THE CHICAGO TRIBUNE learned here today, in an investigation of bribery by trucking companies and reputed gambling payoffs from Chicago crime syndicate gangsters.

BOLSTER POLICE POST

Ten troopers from thruout Illinois are assigned to Chicago post to replace policemen suspended in trucking payoff investigation. Commander of post denies accepting gratuities from truckers. Stories on page 2.

Runs Slot Machines

The gangster "protection" money the tax agents are attempting to trace reportedly was paid by emissaries of two syndicate hoodlums, Frank La Porte and Eddie [Dutch] Vogel.

La Porte is the syndicate's chief of gambling and prostitution in southern Cook county and Will county. Vogel operates pinball games and slot machines for the mob in the north end of Cook county.

Cover 10 Counties

One of the state police officers interrogated by the federal agents was among 16 policemen suspended Tuesday in the state investigation of payoffs from operators of overweight trucks to policemen in state police district 3. The headquarters of the district is at Irving Park road and Harlem avenue.

The two other state policemen questioned by tax agents worked in other Chicago area police districts also involved in

the trucking company payoff scandal.

These are district 4, at Blue Island; district 2, at Elgin; and district 5, at Joliet. State police assigned to these posts and district 3 cover 10 counties in northeast Illinois.

Gov. Kerner said here today he would be "surprised if the scandal—in which state police have been accused of collecting more than $500,000 in bribes in the last 20 years—was "limited to only one state police district."

Sees Bribe Diary

He reiterated, however, that his "confidence in the state police still is unshaken."

"I don't think that the public should take the attitude that because of a few policemen, the whole state police force is rotten," he said.

At his press conference, Kerner was asked if he thought that the 95 truckers who paid the bribes should be prosecuted. "Of course they should," he said. "Whenever you find anything going on in any government—state, local, or federal—it is usually some individual outside [the government] who makes the offer."

Book Cracks Case

The governor said he had viewed the most sensational piece of evidence in the scandal—the "little red book," a leather bound diary in which a state trooper listed 90 of the 95 truckers and the amounts he received from each company.

THE TRIBUNE disclosed exclusively on Wednesday that the "little red book", had been found by state police inspectors where the trooper had mislaid it in a district 3 squad car. The discovery of the diary three weeks ago cracked the bribery scandal.

"The case was broken because a trooper forgot the book which no one was supposed to see," Kerner said." It contained names [of the truckers] and amounts [of the payoffs]."

The inquiry by the internal revenue service was disclosed as state police officials reportedly were preparing to suspend more policemen in the scandal rocked district 3.

Found by Inspectors

The police graft ring in district 3 was uncovered by inspectors under State Police Chief William Morris and Joseph E. Ragen, state director of public safety.

The inspection unit—the first watchdog corps in the history of the Illinois state police force—was organized by Morris and Ragen last year.

The inspectors, working with detectives led by Lt. William Hall, obtained confessions of payoffs from more than 50 of the 60 policemen assigned to the district.

16 Are Suspended

The policemen admitted accepting bribes totaling $65,000 a year from 95 trucking companies to go easy on truckers in overweight cases and other violations.

The confessions brought the suspensions of the 16 policemen, a police clerk, and five state truck weighmasters. Relieved from duty and stripped of their commands by the suspension orders were Capt. Edward Dvorak, 55, and Lt. William F.. Moffatt, 59.

Dvorak was in charge of districts 2 and 3. Moffatt, the only suspended officer to flatly deny any knowledge of the truck slush fund, was the commander of the district 3 station.

Will Consider Action

The bribery evidence assembled by the state police detectives and Morris' inspectors will be delivered tomorrow to the Chicago office of Atty. Gen. William Clark and to aids of Daniel Ward, state's attorney of Cook county.

Action before the state police merit board to fire or discipline the suspended policemen will be planned tomorrow in Chicago when Ragen, Morris, and James McMahon, assistant director of public safety, confer with assistants of the attorney general.

The state officials have scheduled a second meeting with Ward to discuss possible criminal prosecution of the suspended policemen and the truckers.

Officials of at least three trucking companies are said to have admitted to state police detectives that "gratuities" and "little presents of cash" were paid by their firms to policemen in district 3.

It was disclosed here yesterday that Moffatt figured last year in a Cook county scandal centering on Sam [Big Sam] Ariola, a crime syndicate hoodlum.

Has Phone Numbers

Ariola is the syndicate's man in gambling rackets in Chicago suburbs within the area covered by district 3, commanded by Moffatt.

Ariola's headquarters in Franklin Park was raided last fall by detectives under Roswell T. Spencer, chief investigator for the Cook county state's attorney's office. The raiders found more than $30,000 in cash, gambling equipment, and a notebook in which Ariola listed the names and telephone numbers of politicians, hoodlums—and Moffatt.

The telephone number of the district 3 station and Moffatt's home telephone number were contained in Ariola's directory, it was disclosed today.

Mr. [redacted] Mosler Safe Company, 200 North Franklin, Chicago, Illinois, advised that he recalls [redacted] a customer who used the name of ED WARTENBERG, during February, 1958. He advised he obtained this customer through [redacted] who was previously contacting him, by the name of Mr. [redacted] who is no longer with Mosler Safe Company. He advised that this customer used the name of WARTENBERG; however, after this customer visited the Mosler Safe Company office, someone, person unrecalled, recognized him to be EDWARD DAVID VOGEL, who had received newspaper publicity as being a "Chicago hoodlum." He advised this safe is approximately one cubic foot in dimensions, weighing approximately 120 pounds, and is more commonly used for the retention of records rather than jewelry or money. He advised he visited VOGEL's apartment in order to recommend and assist the customer in determining a proper place to put the safe. He advised he recommended the safe, which is usually placed in a wall, be located in either a closet or one of the bathrooms. He advised he recalls that VOGEL indicated that he would have the safe installed in the bathroom, behind a panel or mirror. He advised that upon delivery of the safe to a customer, the combination is mailed from Hamilton, Ohio, directly to the customer, together with instructions as to how the combination of the safe can be changed.

He advised at that time he had no personal contact with RICCA, but [redacted] to A. [redacted] Oehlschlaeger Studios, 107 East Oak Street, Chicago, Illinois, advised that EDWARD DAVID VOGEL was a customer of his on two separate occasions. He advised his records reflect that on December 22, 1960, and December 26, 1960, VOGEL purchased five oil paintings from his studio. He advised these paintings are as follows:

Name of Painting	Artist	Price
"Still Life"	HELEN SAWYER	$ 485.00
"Fish Lion"	PERKINS	$ 175.00
"The Page"	PERKINS	$ 175.00
"Nothing To Wear"	PERKINS	$ 175.00
"Boats And Bottles"	NEIMAN	$1,000.00

He advised his records fail to reflect how the money for these paintings was received. However, he believes he recalls that the money was paid in cash. He advised that he traveled to VOGEL's apartment at 320 Oakdale, Chicago, Illinois, to assist and recommend locations to hang the paintings. He advised he was picked up at his studio together with the paintings by a person believed to be chauffeur for VOGEL. [redacted] identified a photograph of NATHAN LADON as being identical to the chauffeur that drove him to VOGEL's apartment.

[redacted] advised that he recalls another individual being at the apartment during his visit, and this individual was introduced to him as VOGEL's brother.

FEDERAL BUREAU OF INVESTIGATION

Date August 13, 1962

Informant advised as follows:

The attached reports cover the three insurance companies you mentioned in our last telephone conversations. They are custom reports written for your specifications. They are based on research on all three companies back to the day of their incorporation with every dollar accounted for in their capitalization. Every dollar of dividends paid to other than policyholders has been accounted for from 20 to 30 years back. Their operation, management, and financial background research has been thoroughly checked in Best's Life Insurance Reports, The Unique Manual, and National Underwriters Life Reports. These are the Bibles of the industry. When I return to work I will send you D & Bs but they will not show the "guts" of each like the attached reports. The figures submitted are up to December 31, 1960. As insurance companies are complex financial organizations and the statuatory date for filing annual reports is March 1st in most states, the December 31, 1961, figures are not yet completed for this type of analysis. An analysis for the year 1961 cannot be made before about September 15, 1962. Thus, the enclosed reports are as current as possible.

I must say that all three are solid companies and I wish that I had policies in each. They fall in the blue chip category of insurance companies.

First we should take Bankers Life Insurance Company of Nebraska. This company is a true mutual. The only way possible for anyone to be paid a dividend by this company is to hold a policy. In other words the owners of this company and its unassigned surplus are the policyholders. The party you are checking has a life policy with this company. No doubt it is of long standing and possibly paid up. He could leave the dividend in the company and let it accrue and his beneficiary would receive a larger sum on his death. He probably decided to exercise his cash option and withdrew the dividend. In this company he would have to be a policyholder.

On 8/7/62 at Chicago, Illinois File # 92-345 b6 b7C

by SA [redacted]/ckd Date dictated 8/9/62

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Second we should take the Manhattan Life Insurance Company. This is a mutual company but not a true mutual. In other words the company is owned both by its policyholders and the owners of the guarantee capital shares. It is operated as a mutual company with the advantages of a stock company. The unassigned surplus is the property of the policyholders. The guarantee capital and the special surplus account is the property of the guarantee capital shareholders. He could be either or both and received dividends from either source. He could have in combination with others purchased the guarantee capital shares and it would be an excellent investment. It is an old company with an excellent record and ripe for "plucking". However, New York state is the toughest in the world and I doubt if even [redacted] could do much "plucking" before the Insurance Commission would be on their necks. In view of this I am inclined to think your party is an old policyholder and is exercising his cash option as explained in the foregoing paragraph. However, don't stop on my analysis. If your party is a syndicate member it is always possible that he with others could have made a "buy in". Those bums are always looking for old established concerns. If you find there is a "buy in" I know how to blow it out of the water. New York is a terrific insurance state and I wish we had their laws in Indiana and Illinois. Surfacewise I think he is a policyholder.

b6
b7C

Last we should consider The Great West Life Assurance Company. This is a stock company. The unassigned surplus is the property of the policyholders. The special surplus funds is the property of the stockholders. The company is owned by the stockholders but is controlled jointly by the policyholder and if the latter he is exercising his cash option as explained in paragraph three above. If he is a stockholder he has a blue chip investment. In this one I don't know or will hazard a guess on where the dividend is coming from. It could be either. Don't overlook the possibility that if your party is a syndicate member he and others could have "hot dollars" in Canada and could have purchased into this company in the past year (I don't think before December 31, 1960). This would be a choice place to invest untaxed money hidden in Canada and place it in a blue chip investment. This would not be difficult to ascertain. [redacted] could take a peek at the stock register book

b7D

in the home office of the company in Winnipeg. If your party is a stockholder they could quickly tell. If so they should check names entered on the stock registration book appearing at the same time or close dates. Your party could have a nominee holding stock for him but the latter is not too safe a way to do it in Canada. Likewise [redacted] b7D [redacted] or your equivalent in Canada could ascertain if he is a policyholder. If he is not the latter he has to be a stockholder either in his own name or has a nominee acting for him. Likewise one of your New York men and Lincoln, Nebraska men could settle once and for all what his interest is in both companies.

THE MANHATTAN LIFE INSURANCE COMPANY

111 West 37th Street
New York 19, New York

HISTORY

This company was incorporated under the laws of New York, May 29, 1850, as a mutual company and commenced business August 1, 1850 with a paid in guarantee capital of $100,000 as then required for a mutual company: the par value of the shares being $50 each. Effective June 26, 1950, $340,000 of the earnings accumulated to the account of the shareholders, under the charter provisions, was capitalized. Subsequently additional capitalizations were made as follows: March 21, 1951, $60,000: March 21, 1952, $70,000: March 18, 1953, $80,000: March 16, 1954, $100,000: March 15, 1955, $120,000: March 20, 1956, $130,000: March 21, 1957, $200,000: March,1958, $200,000: March, 1959, $340,000: March,1960, $400,000: thus increasing capital $2,200,000, par value of shares remaining at $50 each.

Effective December 31, 1956, the company re-insured the entire business of the Expressmen's Mutual Life Insurance Company, New York, New York.

This is a mutual company. The policyholders and the holders of the guarantee capital have the right to vote for directors, at least half of whom must be shareholders. Prior to June 26, 1950, the proportion of earnings payable on guarantee capital was limited to 7% guaranteed interest and one-eighth of the earnings paid. Under the amended charter adopted as of that date, the shareholders are entitled to receive an annual interest of $7,000 with respect to guarantee capital up to and including $400,000 thereof, plus 3% on any amount of such capital outstanding in excess of $400,000 and one-eighth of the earnings paid.

Under the limitation with respect to distribution of earnings to shareholders, it is noted that policyholders are credited with the entire underwriting profits of the company with the exception of the nominal interest on guarantee capital paid in or capitalized by shareholders and further that the New York Insurance Law would permit a stock life insurance company to distribute as much as 50¢ per year per thousand dollars of participating life insurance in force to shareholders, the distribution to shareholders, in this company is very reasonable. From the point of view of the policy holders, the plan of operation of this company combines the important advantages of both stock and mutual companies.

This company, now in its second century of operation, has always been under capable management who have shown due regard to the interests of the policyholders. It is one of the early pioneers in the life insurance field. It wrote one of the first group life insurance policies issued in the United States (February, 1854) and was the first American Company to to introduce an incontestable clause in its contracts (April, 1864).

The company commenced business in Texas and California in February,1851, and has continuously operated in these two states since that date.

Operations are conducted on the general agency plan and the company is now licensed in 49 states and the District of Columbia. A full line of ordinary, policies, standard, and sub-standard to the 1000% table is offered on the participating plan. Individual annuities, group life, group accident, and dismemberment coverages are written. The maximum net retention on any one life is $100,000.

The Warrant Book for the taxable year 1960 shows Shekleton Lands Inc. as the assessed taxpayer.

"CONCLUSIONS OF TITLE SEARCH

"Title to the above described real estate is vested in DeLuxe Cigarette Service, Inc., an Illinois corporation. It is noted here that no mortgage, trust deeds, or liens are filed of record against the real property above described.

"COMMENTS

"The title transactions on the real property at 7730 N. Milwaukee Ave., Niles, are simple and clean. It appears that Magdalena Hann and husband acquired title from the estate of George Bomberger, deceased. Time did not permit a check of probate court records to positively establish this appearance. Nevertheless, the Hann fee held dormant and vacant land until it was acquired by Shekleton Lands Inc. which proceeded to subdivide it into a series of residential building lots to the area southwesterly of this location.

"The particular lots, namely, 14 and 15 above described front on Milwaukee Ave. and are business lots, and were conveyed to DeLuxe Cigarette Service Inc. There is no

indication on the County Records of any relationship between Shekleton Lands, Inc. and DeLuxe Cigarette Service, Inc., but the question arises why did DeLuxe buy these particular lots on which to erect its present business building? A credit report on Shekleton Lands, Inc. will be forwarded in a few days.

The Deed, Document #18276596, from Shekleton Lands Inc. to DeLuxe Cigarette Service Inc. was returned to attorney Eugene Bernstein, 77 W. Washington St., Chicago, Illinois, Recorder's Office Box 533.

Intangible stamps affixed to the Deed, Document #18276596, indicate the consideration paid for the vacant land to be $41,000.00.

AFTER 10 YEARS, $750

Oldest Jury Case Settled

The oldest jury case in Circuit-Superior Court jurisdiction was settled Tuesday for $750.

The plaintiff was Edward (Eddie) Vogel, once the reputed boss of Cook County slot machine activities for the Capone gang.

Vogel, 67, sued two patrolmen, Charles Fitzgerald and Edward Quinn, charging assault and battery and false arrest.

Fitzgerald, now a lieutenant, and Quinn, who has retired, arrested Vogel Sept. 29, 1952, as he left his apartment at 4300 N. Marine. There was a scuffle.

Vogel carried $7,200 wrapped in a newspaper. He was booked and questioned 6½ hours before his release.

Two months later, Vogel sued Fitzgerald, Quinn and five other police officials for $100,000.

The other defendants, like the size of the damages sought, dropped as the years went by.

In 1955, Vogel cut his demand to $5,000 and then to $3,000, where he stood firm.

The case was finally dismissed for want of prosecution last Sept. 16, 1961, then reinstated when Vogel said he hadn't been notified of a hearing.

Asst. Corporation Counsel Ben Novoselski represented the policemen and Joseph D. Gannon was Vogel's attorney. The settlement was approved by Superior Court Judge Samuel B. Epstein.

Vogel Suit Settled

Edward [Eddie] Vogel, 67, onetime county slot machine boss for the Al Capone gang, has accepted $750 to settle the oldest jury case in Circuit-Superior court jurisdiction.

Over the years Vogel lowered his demand to $3,000 and accepted the settlement yesterday before Judge Samuel B. Epstein in Superior court.

"TAX SEARCH

"Recorder of Cook County Clerk and Cook County Treasurer were also checked. The Warrant Book for the taxable year 1961 was with Treasurer of the Village of Rosemont for posting on September 10, 1962. The Warrant Book for the taxable year 1960, Book #65, page 238, disclosed assessed valuation of that part of Lot 2 hereunder review as $10,249, for the taxable year 1960. Taxes assessed were $218.10 each installment. Assessed valuation of Lot 3 was $51,607, and taxes were $1,098.21 each installment. Assessed valuation of Lot 4 was $5,457 and taxes were $116.13 for each installment. Taxes were paid by Joseph Schullo, 9467 W. Higgins Road, Rosemont, Illinois.

"CONCLUSION OF TITLE SEARCH

"From Cook County Records quoted in above title search, it appears the title to Lots 2 (except the Southeasterly 85 feet thereof) and all of Lot 3 is vested in LaSalle National Bank, Chicago as Trustee under Trust #22620, and title to Lot 4 is vested in Richard Evenhouse, 6021 Hawthorne St., Des Plaines, Ill. There also appears to be a question of adverse possession to Lot 4 between Richard Evenhouse and Garden City Disposal Co. Inc. (See Document #18496272 and Document #18548548. ~~Also see comments~~).

CG 92-745

"COMMENTS

"This tract of land and its indexing in the respective Tract Book and the indexing of certain documents pertaining to it, presents a most peculiar series of errors and omissions on the part of the Recorder of Deeds of Cook County, Ill.

"Stephany's Subdivision is indexed in the current breakdown index as Book 59-A, when in fact it is indexed in 44-J.

"Two Deed Documents are not entered in the Tract Book. These are a Deed in Trust, Document #17498848, conveying the real property under review to its present owner, namely, LaSalle National Bank as Trustee under Trust 22620, and a Warranty Deed, Document #17498849, conveying the adjoining parcel to the East to its present owners, namely, Emil and E. Ruth Dorosh and Helen Dorosh. The omission of entry of these two documents does not affect the title or ownership, only makes it difficult for a layman or investigator to locate the conveyances. The mortgage by the LaSalle National Bank, Chicago, as Trustee under Trust #22620, has been entered in the Tract Book with a disappearing or fading type of ink and is hardly any longer legible. All other entries on this tract are legible. This faded ink has no effect on the mortgage but only makes it difficult for a layman or investigator to locate the particular document. It is here noted that similar omissions were found in the past pertaining to documents on the River Road Motel (now Thunderbolt Motel). These omissions have no bearing on the purity of the title, as the actual documents are properly recorded. Only the indexing is omitted. The question is raised, however, if in the future will documents filed also be omitted?

"Lot 4 in the tract under review is now in title with Richard Evenhouse as recorded owner. It is noted that on May 8, 1962, Garden City Disposal Co. Inc., an Illinois Corporation, gave a Grant Deed. Document #18496272, to Northern Illinois Gas Co. for the laying, maintaining, and servicing of a gas main through Lot 4. I fail to find a deed document from LaSalle National Bank conveying title to Garden City Disposal Co. The fact that the legal department of Northern Illinois Gas Co. accepted this grant deed is

puzzling unless they were shown proof that the beneficial interest of Trust #22620 as it pertained to Lot 4 was with Garden City Disposal Co. Inc.

"No doubt in your office some agent is working on the connection of the hoods with the scavenger and garbage collection business in the Chicago area. This transaction should be called to his attention.

"The Grant Deed, Document #18441251, above mentioned, is signed by Richard Evenhouse as president of Garden City Disposal Co. Inc. and by Martha Molenhouse, Secretary.

"Richard Evenhouse is an old sanctimonious Dutchman who is the king pin tn the scavenger industry in Chicago. For several years I have tried to tie him with the hoods in the scavenger business with no success.

"His operations are conducted from Rosemont, Ill. He is currently purchasing the scavenger business of Herman Mulder, Blue Island, Ill. and reportedly making payments to the I.R.S. on Mulder's Tax delinquency.

"He is a millionaire that lived many years ago in Cicero and was well acquainted with the hoodlum element there.

"He maintains a plush summer home on Lake Michigan about ten miles north of Holland, Michigan, where he keeps all members of his family for the summer months. His daughter, Martha, married Richard Molenhouse. The latter is his right-hand man and makes the contacts on stops and accounts driving a 1961 Chevrolet equipped with a two-way radio. The Molenhouses live in Wheaton.

"Garden City Disposal Co. is reportedly currently negotiating to purchase equipment from certain hood outfits that could not get dumping rights from dump owners.

"The above may be coincidental and I have never tied Garden City Disposal Co. direct with the hoods, but there is more here than meets my eye.

"Also on Lot 4 is a large sign advertising the Thunderbolt Motel. I find no sign lease recorded. Maybe the sign was leased by the previous beneficial interest holder in Lot 4 under Trust #22620. Anyway, you can bet that Evenhouse now collects the rent and has a copy of an assigned sign lease.

"He currently lives at 6021 Hawthorne St., Des Plaines, Ill. I am enclosing a copy of the D. & B. report on the Airliner Lounge, 9463-65 Higgins Road, Rosemont, Ill. It is not much of a report and probably has a successor ownership. It is all in file on that concern. I will send reports on Schullo Plumbing, Garden City Disposal Co. and Finn Restaurant.

"O'Hare Apartment Corp. is located on the adjoining tract of land in Parcel 1 of the enclosed plats known as Lot 1, Block 1 in Higgins Road Ranchettes, a Subdivision of the W. 1/2 of Sec. 3, Twp. 40 N. R. 12. Time did not permit running this title. I will send the credit report on O'Hare Apartment Corp. when I get back.

"I could find no record of the name Paternoster, on the tract under review. This does not mean he is not the owner or operator of the Airliner Lounge. He could be the tenant under an unrecorded lease. You will note the Finn's lease to LaSalle National Bank is recorded while Schullo's and the Airliner lease is not recorded. Another odd ball transaction.

"I am sorry that I could not find some conclusive proof to Paternoster, but a thorough search of Cook County records does not disclose his name at this location. Joe Macza is the tavern licensee of record. He is probably Paternoster's nominee, which is par for the course.

"Also note the mechanics lien claim filed by American Marietta Co., Document #17593986, in which it names Joseph Schullo and George G. Donovan as owners of the property hereunder review. Apparently what happened here is that American Marietta Co. hired some title search company to furnish a legal verbatim of the tract as it appeared in County Records to establish ownership. The title search company reported the tract index as it appears

and did not find the missing deed from the Donovans conveying Lot 2, except the S.E. 85 feet thereof, and all of Lots 3 and 4, to LaSalle National Bank. As the tract index appears, Donovan is the owner. This magnifies the comments about the missing document entries aforementioned.

"Also Document #18496272, the Grant Deed from Garden City Disposal Co. Inc. to Northern Illinois Gas Co., is not entered in the Tract Index although it is recorded against Lot 4.

"This whole tract and its indexing smells of a payoff to someone in the Recorder's Office to make errors and omissions to make it difficult for the average layman to follow the chain of title.

"Chicago Title and Trust Co. will have this tract in their tract department in its pure form and correctly indexed. I don't use them, as on many of these title searches in the past where I have found suspect hood connections, they are the grantee in trust deeds. Searching their tract department requires a written order for the tract and someone checking the written orders later could pin point what I was checking and possibly tip off the hoods.

"Checking the county records thoroughly gets the same results, only takes more time. However, no one knows what is being searched.

Re your airtel, dated 9/28/62.

At the Executive House, Scottsdale, Arizona, determine if subject made any telephone calls during his stay from 9/18/62, through 9/21/62. Also, obtain full description of female registered as Mrs. E. D. VOGEL at the Executive House. It is believed this female is identical to ANN FENNER of Encino, California, former paramour of VOGEL. Also, attempt to locate airline reservations or travel as of 9/21/62.

It is to be noted, if FENNER is identical to Mrs. E. D. VOGEL, she may be traveling to Los Angeles, California. Reportedly, VOGEL returned to Chicago 9/25/62. VOGEL, between 9/21/62, and 9/25/62, may have traveled to Los Angeles or Miami.

CG 6568-C* advised that Apex Amusement Corporation and/or related companies, namely Deluxe Cigarette Service, Incorporated, and Ajax Phonograph, all companies owned and controlled by intensified Chicago hoodlum EDWARD DAVID VOGEL, have machines believed to be juke boxes in La Porte, Indiana; Valparaiso, Indiana; and the Fort Wayne area. In conversation relating to obtaining more locations in areas, it was mentioned that the Cart Wheel was purchased by BENNY GERARD (phonetic), Chief of Police of La Porte. CG 6568-C* also mentioned VOGEL was able to move into area relating to above mentioned establishment through a "big shot" Jewish fellow who known a guy who owes him money. The term "through politicians" was utilized in discussions of how they were able to obtain locations in Fort Wayne. The above information was furnished for your intelligence; however, it is requested that it be determined what type of juke box, cigarette machine, or any other type of machines are being utilized in the Cart Wheel, and the identity of the company furnishing such machines. It is believed that VOGEL owns other juke box, cigarette machine companies through nominees.

Indianapolis is requested to furnish this information to Chicago and determine who are the owners of such companies having machines at location known as the Cart Wheel.

FD-302 (Rev. 1-25-60) FEDERAL BUREAU OF INVESTIGATION

Date 10/16/62

Informant furnished the following:

He furnished a typewritten paper containing information in regard to the property at 916 North Milwaukee Avenue, Chicago, Illinois.

"Location: 916 N. Milwaukee Ave., Chicago, Ill.

"From an examination of Tract Index #413-B, page 177, in the Office of Cook County Recorder of Deeds, it appears that the above real property is legally described as

"Lot 13, in the Subdivision of Block 25 in Canal Trustee's Subdivision of the W.½ of Sec. 5, Township 39 North, Range 14 E.

CHAIN OF TITLE

"Meyer Zimberoff acquired title to above described real property by Warranty Deed, Document #15084924, from William Olsher and Gladys Olsher, his wife, dated May 21, 1951, deed document filed in Deed Book 46763, page 137, filed for record on May 25, 1951. (See comments).

"Manuel Zimberoff and Selma Zimberoff, his wife, gave a Quit-Claim Deed, Document #15248660, on above described real property to Geraldine Heal, a spinster, dated October 29, 1951, filed for record Jan. 7, 1952, filed in Deed Book 47528, page 132.

"George J. Spensley gave an Agreement, Document #15347420, on above described real property to Harry Pavis, dated May 20, 1952, filed for record May 21, 1952. Deed Document filed in Deed Book 47966, page 294. (See Comments).

"Chicago Title and Trust Co. gave a Release Deed, Document #15841331 on above described real estate to Emil R. Motzny, releasing a Trust Deed, Document #1464135. (This was an instrument recorded earlier than this chain of title which preceded Olsher in the fee) dated February 19, 1954,

filed for record February 25, 1954.

"Geraldine Heal, a spinster, gave a Quit-Claim Deed, Document #17113385, on above real property to Betty J. Lieberman dated Oct. 29, 1951, filed for record Jan. 17, 1958.

"Betty J. Lieberman and Sidney Lieberman, her husband, gage a Warranty Deed, Document #17113386, on above described real poperty to Department of Public Works dated Dec. 28, 1957, filed for record Jan. 17, 1958, for right-of-way of Northwest Expressway.

"Chicago Title and Trust Co. gave a Release Deed, Document #17150798, on above described real estate to William Olsher and wife (release a Trust Deed, Document #14964826, dated Nov. 29, 1950, recorded earlier than this chain of title when Olsher acquired title from Emil R. Motzny) dated March 4, 1958, filed for record March 10, 1958.

Nothing else appears of record.

TAX SEARCH

"Records of Cook County Clerk and Cook County Treasurer were also checked. The real property hereunder review has been exempt from taxes since Jan. 17, 1958, when title was acquired by Illinois Department of Public Works.

CONCLUSION OF TITLE SEARCH

"Title to above described real property is vested in Illinois Department of Public Works since Jan. 17, 1958, and this particular location now is principally occupied by the main vertical support girder of the arch of the Milwaukee Ave. Bridge spanning the Northwest Expressway.

COMMENTS

"The above chain of title disclosed the building at 916 N. Milwaukee Ave. was purchased by Manuel and Selma Zimberoff from William and Gladys Olsher on May 21, 1951. Consideration from intangible stamps affixed to deed document cannot be established, as deed document photostat is not clear.

CG 92-345

"On Oct. 29, 1951, Manuel and Selma Zimberoff gave a quit-claim deed to Geraldine Heal, a spinster, whose residence was then Downers Grove, Ill., conveying title to Geraldine Heal in the real property at 916 N. Milwaukee Ave.

"Simultaneously and at the same time Geraldine Heal gave a quit-claim deed to Betty J. Lieberman, quit-claiming her feehold on the real property at 916 N. Milwaukee Ave. This quit-claim deed was never filed for record until Jan. 17, 1958, the same day that Betty J. Lieberman and Sidney Lieberman, her husband, gave a Warranty Deed to the real property at 916 N. Milwaukee Ave. to the Illinois Department of Public Works. Thus Geraldine Heal, a spinster, Downers Grove, Ill., held title as a nominee for Betty J. and Sidney Lieberman from Jan. 7, 1952 to Jan. 17, 1958. The Notary witness to Documents #15034924, 15248660, 17113385, and 17113386 was an attorney, Joseph Lustfield, who then listed his office as Room 2112, 11 South LaSalle Street, Chicago, Illinois.

"Betty J. Lieberman and Sidney Lieberman listed their address only as Milwaukee, Wisconsin.

"It is here assumed that Geraldine Heal was an employee of Joseph Lustfield, used as nominee, and Betty J. Lieberman was a relative of Manuel and Selma Zimberoff, probably a daughter.

"Manuel and Selma Zimberoff purchased the real property at 916 N. Milwaukee Ave. subject to a Trust Deed given by Wm. Olsher to Chicago Title and Trust Co. on Nov. 29, 1950, recorded as Document #14934826. This was a purchase money mortgage with proceeds used to pay off Emil R. Motzny and wife who preceded Wm. Olsher and wife in title.

"The agreement between Spensley and Pavis, shown as Document #15347420, was a Subordination of Indebtedness Agreement on a previous transaction not found on the tract and not regarded as imporant, as title is now held with Illinois Department of Public Works."

SUBJECT: EDWARD DAVID VOGEL, Aka.

Re Las Vegas airtel to Chicago 10/30/62 and Phoenix airtel to Chicago 10/11/62.

Enclosed herewith for Phoenix is a most recent photo of subject and a photo of [redacted] commonly known as [redacted] in Chicago. There are no known available photos of ANN FINNER, subject's girlfriend in Encino, California. It is to be noted that in answer to lead set forth in Phoenix referenced communication, to Las Vegas, that one FINNER was listed on an airline flight departing from Las Vegas to Los Angeles the same day as VOGEL's departure, therefore, it is assumed that the female that accompanies VOGEL to Arizona is ANN FINNER, former paramour of VOGEL. Photo of [redacted] is forwarded for possible elimination of [redacted] as female accompanying VOGEL on his trips to Arizona. b6 b7C

In referenced Las Vegas communication, it reveals that VOGEL departed Phoenix, Arizona, 9/21/62, arriving Las Vegas 8:00 PM, same day, and apparently departed Las Vegas 9/23/62. Las Vegas airtel reveals VOGEL stayed at the Desert Inn Hotel.

Information received from confidential sources that subject was absent from Chicago for a couple of days over Thanksgiving holidays.
